As a group, please complete the following tasks:

  2. What did our hero do?
  3. What did others think or say the hero should do?
  4. What would you have done? Explain why.
  5. Extension Question: Look at your decision in #4. Which way (or ways) of making moral decisions have you used (the teacher might have posted these ‘ways’ on the wall. We can also call them, ‘ways of telling right from wrong’.
